Remarks

Make this beautiful 4 bedroom 2 bath home your own! Assumable 3.99% fixed 30 year mortgage to qualified buyers! This is a corner lot home with a large lot. It has a 14.5 feet wide side yard which is perfect for a double gate to store your toys! This home boasts a beautiful kitchen, large master bedroom, large laundry room and a split floor plan. There are beautiful sunset views from the backyard as there are no homes that will ever be built directly behind it. Across the street to the front is an expansive greenbelt! Seller has a new job assignment, so this home is looking for new owners to enjoy this awesome property!
